## Property & Liability Insurance

Protect your schools and reduce your costs by participating in this ISBA endorsed program.

90% of Idaho school districts are now enrolled and over the past 10 years have received over \$2.7 Million in dividends.

## Board Training

Call today to schedule one of the following training sessions for your district:

- Educational Law and Policy;
- Human Resources;
- Leadership for Student Learning and Achievement;
- School board Governance (Orientation);
- School Finance and the Board's Oversight Role;
- Strategic Planning, Accountability and Continuous Improvement;
- Team Work, Board Culture, Advocacy, Community Partnerships

## Travel Insurance

Every ISBA school board member is covered with \$50,000 of additional insurance in case of an accident during district-related travel.

## Policy Services

A primary ISBA function is to support and improve policy making by Idaho school districts and boards. The policy services staff provide reliable, authoritative policy assistance and information to help school boards draft and maintain policies.

*To date: The service has provided 75 policy updates.*

*One-third of Idaho districts are currently members of the Update service. In addition, many districts have contracted our services for a custom re-write of their current policy manual.*

## Annual Convention

The annual convention is a valuable professional development opportunity for Boards and Superintendents.

*92 Idaho School districts were represented at the last ISBA convention in Coeur d'Alene: Those in attendance were: 287 School board members; 87 Superintendents; and 43 Clerks.*

## Online Learning

Our electronic "campus" provides school board members with a convenient, exciting way to increase their knowledge. Online classes let you learn at your own pace, using your own computer, while having personal access via e-mail to ISBA.

## Capitol Notes

Electronic publication (an e-newsletter) disseminated weekly via e-mail during the legislative session (Jan-March).

All board members and superintendents with e-mail receive this e-newsletter.

## ARE YOU CONNECTED?

ISBA has been using e-mail to retrieve feedback from our members in a timely manner. Does ISBA have your current e-mail address? Doesn't hurt to check; send an e-mail to [brenda@idsba.org](mailto:brenda@idsba.org) and we'll check our database.

## Publications

The *Slate*, published five times a year, provides an in-depth perspective of issues all board members need to understand and offers a quick summary of current news and upcoming activities. The *Policy Update Newsletter* is published quarterly to keep members abreast of current policy changes. The *Esquire* is ISBA's legal newsletter, published quarterly, to keep trustees current on emerging legal issues in education.
